About the Course

Pine Creek Golf Club is a premier public golf course in Colorado Springs. Designed by noted golf course architect Richard Phelps, this 18 hole championship course is both physically and mentally demanding.

Winding through the Pine Creek Valley, the course features natural grasslands and wandering creek beds that come into play on 15 of the 18 holes. On the front nine, you'll be challenged by the canyon-style course, while the back nine features an American-style links course. Adding to the challenge are a variety of trees, lakes, bunkers, and 376 feet of elevation change. Each hole offers breathtaking views of Pikes Peak, the Front Range, and the entire skyline of Colorado Springs.

Take I-25 to Briargate Parkway (Exit 151). Go east to Chapel Hills Drive turn left and follow signs to clubhouse.
